### Student learning objectives

What are the learning objectives for your student placement?

These should be measurable and generally based on learning opportunities within a selected focus area.

How will you achieve your learning objectives?

How will you determine if your objectives have been met?

How will a placement with BCCNM benefit your learning?

If successful, placement will be confirmed at least one week in advance of your start date.

Please click "Submit" to attached this form to an email. If you have any difficulties, you can email your form to [careers@bccnm.ca](mailto:careers@bccnm.ca)
