

Openness of Board Meetings

BCCNM board meetings occur at scheduled times throughout the calendar year. These are business meetings, not to be confused with general meetings for registrants.

Board meetings are generally comprised of two sessions: open and closed. Section 19(2) of the [BCCNM bylaws](#) establishes the conditions under which a meeting can be closed. As part of BCCNM's commitment to transparency, each open session is recorded. These recordings are available to registrants and members of the public upon written request to governance@bccnm.ca. This process will be clearly defined on the BCCNM website.

Questions for the Board can be submitted at any time during the year by emailing the BCCNM Board Chair c/o board@bccnm.ca. The Board may forward questions to college staff for response where appropriate.

Approved by the Board on April 27, 2023
